03/09/2020 Order

It comes to the Court's attention that one or both of the parties to this cause may object to this Court's assignment to this case due to prior representation of the Respondent and/or her ex spouse, by the firm of Hackworth, Hackworth, Ferguson & Thompson. This Court was a part of that firm from 1991 until August 2005. The Court has no recollection of any prior representation; however, in order to avoid any unnecessary delay in this case, this Court requests that any objections to the Court's continuing to preside over this matter be filed with the Court within thirty days. This court will promptly resolve this issue by the case review date of April 28, 2020. Judge Christina L. Kime.

MOTION TO AMEND TEMPORARY CUSTODY ORDER

COMES NOW Jennifer R. Williams, Guardian Ad Litem for Mikaela Haynes and Sara Haynes, minors, and for her Motion to Amend Temporary Custody Order states as follows:

1. On December 22, 2016, this Court entered an Order Regarding Emergency Motion for Child Custody Pendente Lite.
2. In said Order, this Court placed the minor children in the joint legal custody of Petitioner, Respondent, and Intervenor, with Intervenor as the ultimate decision maker in the event of dispute between the parties. Physical custody of the minor children was placed with the Intervenor.
3. Petitioner was awarded visitation of every Sunday from 1:00 p.m. until 6:00 p.m., with liberal additional visitation encouraged. All of Petitioner's visits were ordered to be supervised, and though the order does not specifically say so, it was the Court's intent

(pursuant the Court's docket memorandum filed December 19, 2016) that such visitation would be supervised directly by Intervenor.

4. Respondent was awarded visitation from 6:00 p.m. every Friday until 12:00 p.m. on Sunday, with liberal additional visitation encouraged.
5. The minor children were ordered to be enrolled in Doniphan Public Schools.
6. Since the entry of said Order on December 22, 2016, the minor children have resided with Intervenor, but have had liberal contact with Petitioner and Respondent, both in person and by telephone.
7. It is the belief of the undersigned that the minor children have had such liberal contact with Petitioner and Respondent that they have been unable to adjust to residing in the home of the Intervenor and attending public schools. In support, the following events have been reported to the undersigned:
 - a. On January 19, 2017, Sara Haynes (7 years old) locked herself in the bathroom of Intervenor's home and refused to come out, saying she did not have to go to school. She was later taken to the bus stop, where she refused to get on the school bus and had to be forcibly placed on the school bus by Petitioner.
 - b. Petitioner and Intervenor complain that the telephone contact between the minor children and Respondent (as well as the minor children's half sibling, Melissa Hogg) is too frequent and that the content of such telephone contact is disruptive to the children.
 - i. The undersigned reviewed the telephone call history between Mikaela Haynes (12 years old) and Respondent and between Mikaela Haynes and Melissa Hogg and found that phone calls are frequent, but not so frequent as to be disruptive on their face. However, some phone calls

occurred in the late evening on school nights, when the minor children should have been in bed. Additionally, Petitioner and Intervenor complain that following such phone calls, the minor children exhibit withdrawn or disruptive behavior.

ii. The undersigned also reviewed the text history between Mikaela Haynes and Respondent and between Mikaela Haynes and Melissa Hogg and found the content has been appropriate, for the most part, but Petitioner has asked Mikaela Haynes to record on her cell phone events taking place at Intervenor's home. Additionally, some text messages occurred in the late evening on school nights, when the minor children should have been in bed.

c. On January 15, 2017, Respondent took the minor children to the Moberly, Missouri area though an ice storm was predicted to affect much of north and central Missouri. Respondent was due to have the minor children back to Intervenor's home at 12:00 p.m. on Sunday, but did not bring the children back until approximately 3:00 p.m., which interfered with Petitioner's period of visitation.

d. Intervenor reports that Respondent calls very frequently, demanding additional time with the minor children, and Respondent complains that Petitioner essentially comes and goes as he pleases from Intervenor's home, resulting in nearly unfettered access to the minor children. Respondent also continues to believe that Intervenor is not appropriately supervising the contact between Petitioner and the minor children, but the undersigned has been unable to verify the veracity of these complaints at this time.

- e. Pursuant to this Court's order, "No financial matters will be discussed, and neither party shall say anything in the presence of the minor children which may diminish their love and affection for any of the parties to this action." However, there is evidence that Petitioner, Respondent, and Intervenor are all failing to abide by this portion of the Court's order, which keeps the minor children in an emotionally volatile state.
- f. The minor child, Sara Haynes, reportedly cries for two days after each visit with Respondent and is nearly inconsolable.

8. The undersigned believes that it would be in the children's best interest to modify the Court's order dated December 22, 2016 in the following manner:

- a. Petitioner shall have supervised visitation with the minor children every Friday evening from 4:00 p.m. until 9:00 p.m.
- b. Respondent shall have visitation with the minor children every Friday from 9:00 p.m. until Sunday evening at 6:00 p.m. Intervenor and Respondent shall meet at Intervenor's gate to exchange custody of the minor children.
- c. Telephone contact between the minor children and Petitioner and between the minor children and Respondent should be limited to one phone call per evening (except that neither party shall call on Friday evenings, as both Petitioner and Respondent will see the minor children on Fridays), with Respondent calling between the hours of 6:00 p.m. – 7:00 p.m. and Petitioner calling between the hours of 7:00 p.m. – 8:00 p.m.
- d. The minor children shall be ordered to leave their cell phone(s) at the home of Intervenor when they attend school each day (since cell phones are prohibited at school), or in the alternative, the minor children shall return the cell phone(s)

to the party who purchased such cell phone(s) and all telephone contact shall occur on Intervenor's home telephone or cell phone.

WHEREFORE, the undersigned prays for an order of this Court amending the Temporary Custody Order as set forth above, and for such other and further relief as the Court deems appropriate in the premises.

Respectfully Submitted,

/s/ Jennifer R. Williams#64597

MOTION TO PRESENT ADDITIONAL EVIDENCE

COMES NOW the Respondent, Charles M. Haynes, by and through her attorney, Jasper N. Edmundson, and respectfully moves to Set Aside the Order regarding Emergency Motion for Child Custody *pendente lite* entered herein on December 22, 2016, and to reopen this cause for the presentation of additional evidence, pursuant to Missouri Supreme Court Rule 78.01, which Respondent considers to be vital to the health and welfare of the minor children.

In connection therewith, Respondent states:

1. Petitioner has violated the Court's Temporary Custody Order by, among other things, exercising unsupervised visitation with Mikaela and Sara and by constantly disparaging their mother to them and in their presence.

2. In connection with the Court's most recent Order, Respondent states that she does not believe the Intervenor to capable of supervising visitation between the girls and their father, Charles Haynes, as events since the most recent hearing would seem to bear out.

WHEREFORE, the Respondent, Cynthia K. Haynes, prays that the Court stay the entry of Judgment in this matter and allow additional evidence to be adduced, and for any and all further just and proper relief in the premises.

Petitioner and Respondent are hereby directed to execute any and all documents necessary to place the minor children in the Doniphan Public School District. All parties shall have access to school records and Intervenor will keep the other parties informed as to the children's progress.
6. Petitioner is awarded additional visitation and liberal supervised visitation is encouraged. At a minimum, visitation shall be from 1:00 P.M. to 6:00 P.M. every Sunday. Visitation on the newly ordered schedule shall commence on December 30, 2016. At the Intervenor's discretion and after consultation with the minor children, Petitioner may be invited for other events but all visits of any nature with Petitioner shall be supervised. There are no exceptions.
7. Respondent is awarded visitation of the minor children and liberal visitation is encouraged. At a minimum, visitation shall commence every Friday at 6:00 P.M. and conclude at noon on Sunday. Visitation will commence the weekend of December 30, 2016. At the Intervenor's discretion and after consultation with the minor children, Respondent may have additional visits with the minor children.
8. Should the parties not be able to agree to a visitation schedule for the Christmas Eve and Christmas Day, the Court directs that Respondent is awarded visitation from 5:00 P.M. Christmas Eve to Noon on Christmas Day. Petitioner shall be awarded visitation from 1:00 P.M. – 6:00 P.M. on Christmas Day.
9. All parties are directed to not discuss any aspect of the pending dissolution or comment on the other party in the presence of the minor children. No financial matters will be discussed, and neither party shall say anything in the presence of the minor children which may diminish their love and affection for any of the parties to this action.

So **ORDERED** this _____ day of December, 2016.
